SAINT LEO UNIVERSITY // WEEK OF OCTOBER 16, 2017

## Recognition Of The Week:

"If I were to use one word to describe Krystal, it would be, 'blessing'. Krystal brings something to the table that our university was in need of. She has what it takes to help our Greek community thrive to its fullest potential. Greek members here are some of the best people we have on this campus and the students don't realize how much potential they have, but Krystal is the person who has what it takes to help them get there."

- Edson O'Neale
