SAINT LEO UNIVERSITY // WEEK OF OCTOBER 23, 2017

## Recognition of The Week:

"We wanted to put forth the effort in planning an entertaining event, that doesn't just appeal to our woman's fraternity, but something that could engage active Greeks in other organizations and non Greeks. Thank you to all these incredible men and our newest Mr. White Rose, Mikael Coleman!"  
Grace Olsen

### **Mr. White Rose Philanthropy: The House that Theta Phi Alpha Built**

Theta Phi Alpha's Mr. White Rose is a pageant open to any male students who hold the values of a Theta Phi Alpha. All the money raised from this is donated to Theta Phi Alpha's national philanthropy, The House that Theta Phi Alpha Built. The goal of this philanthropy is to improve the plight of the homeless, and allows the flexibility of selection suitable organizations to support, such as those providing aid to the homeless through shelters, home building, or neighborhood revitalization projects. This permits Theta Phi Alphas to help those in need in their own community, while remaining united in their aim and purpose.

This event would not have been possible without the works of Grace Olsen, Theta Phi's philanthropy chair, who planned this amazing event.
